

**515.62(d)(1) Evidence of Control of Land**

Evidence of control of land in Wisconsin may be any of the following

For owned land (to be used when there is no record of ownership on file):

Deed

A copy of FSA 1026A or 156EZ records (landowner may need to request a copy from FSA)

Within Reservation boundaries for EQIP contracts with Native American Nations

For rented land:

Signed lease for the length of the EQIP contract

Evidence of control must be provided no later than the last day of the application ranking period. If evidence of control cannot be provided by that date, the application will be disapproved.
